Bright Beginnings at KA Nursery

We recognise that juggling work and childcare can be tricky especially for parents with early morning shift starts or those simply wishing to be in the office in good time. To offer parents increased flexibility in the morning, we have launched a 7am-8am Early Birds Session.

Breakfast

This early session also offers the additional convenience of breakfast for each child – helping smooth the start of the day for everyone. Breakfast is a choice of a variety of cereals and fresh fruit.

Session Fees

The additional hour of 7am – 8am is £8 per child per day. This is chargeable whatever time you drop off before 8am. All drop off times between 7am – 8am include breakfast.

Limited Availability

The Early Bird spaces are limited so please contact our Admissions Team for more details.
